- BA. International Studies, minoring in Economics and African Studies   Cum Laude; 12/2017
    - Honors and awards: Honors in International Studies program, Saudi Arabian Ministry of Higher Education full-ride scholarship (undergraduate & graduate)

EXPERIENCE

Research Data Analyst   Stanford, CA
Stanford University Environmental Change on Human Outcomes Lab.   06/2021 - present

- Lead the processing, cleaning, and analysis of IMR, Burned Area, and Births data for a study on the impact of global biomass fires on IMR.
- Assist the research team of PI, postdocs, PhD students in conducting academic research studying the impacts of environmental change, such as air pollution on human outcomes, including health and economic outcomes.
- Participate in weekly lab meetings and contribute to the academic discourse on the ongoing projects.

Data Analyst   Burlingame, CA
Emendata LLC.   11/2020 - 05/2021

- Understanding the client's problem and identifying the right research questions.
- Corralling the data needed for analysis by cleaning, linking, and structuring large datasets.
- Deploying the right analytic tool for the job and interpreting the results.
- Bringing the analysis results together in a narrative and communicating it effectively.

Previous Graduate Teacher Assistantship (2018-2019), Research management including field work in West Bengal, India (2017-2019), internship experience with International Rescue Committee (2016), and research experience with the University of San Francisco International Studies (2017) and Politics (2016) departments

WORKING PAPERS

- "Global Biomass Fires and Infant Mortality" with Pullabhotla, H., Heft-Neal, S., Rathi, V., Burke, M., EarthArXiv (Available here)   04/2022

PUBLICATIONS

- "The Impact of Cleft Lip/Palate and Surgical Intervention on Adolescent Life Outcomes" with Wydick, B., Manning, S., Maller, J., Evsanaa, K., Skjoldhorne, S., Bloom, M., Das, A., Deshpande, G., Annals of Global Health (Available here)   04/2022

ACTIVITIES

- UC Berkeley CEGA PacDev 2022 Session Chair for Session 1F: Labor Markets and 4E: Environment & Energy (Conference site)   03/2022
